

XI. EUROPEAN PROFESSIONAL BOILIE CUP (EPBC)

XXVI. FISHING & HUNTING - MACONKA INTERNATIONAL BOILIE CUP

Hungary - Bátonyterenye, Maconkai-víztározó

11-16. September 2016.

OFFICIAL REGULATIONS

I. General Rules

1. The European Cup (event) can be held twice a year, mostly in June and near the end of September, taking the Hungarian and international event dates into consideration. For the teams that have taken part on the previous events or that have registered to this event BSHE is sending regular Hungarian and English newsletters about the actual EPBC and ABMC cups.
2. The exact date will be published at least 2 months before the start of the event [001] by the organizers (BSHE) on the websites www.maconka.hu and the www.fishingandhuntigtv.com.
3. The event is an open international team event. A team can consist of two or three anglers. Entering contestants younger than 18 years is only possible with the permit of BSHE, entering a child below 12 years is not possible.
4. All contestants must possess a valid Hungarian National Angling Permit for the year. This permit can be obtained on the location from BSHE, if the angler can provide proof of being entitled to it by presenting a permit from a previous year or a similar document from his own country.
5. The event will be held in 3 to 4 sectors (A,B,C,D), with a minimum of 6, maximum of 10 teams per sector, and an overall minimum of 18, maximum 30 teams, according to the Maconka classification as per the international rules.
6. The sectors will be designated to offer equal chances to every participant. Site, width and various parameters will be decided according to this.
7. In case of some teams not being able to take part, Vis Maior, some pegs will be removed. These will be selected based on the results of the previous events held on Maconka, taking the suggestions of the participants into consideration.
8. The list of pegs, areas and all other important information will be published in **appendix nr. 1, „Event Map”**. This will be handed out at least 3 days before the start of the event [002].
9. It will take the registration of at least 18 teams from 4 countries before the deadline, and having at least this many teams, from this many countries turn up at the start of the event to be able to hold the event as laid down in the OR, and to qualify it as a Europe Cup. If these conditions are not met, the organizers will have to make changes to the OR, taking the opinion of the anglers into consideration.

II. Signing up, registration and advance payment

10. Signing up is only possible in written form, on one of the following addresses: maconka@maconka.hu or maconka@maconka.eu (e-mail); +36 32 355-077 (fax); BSHE, H 3070 Bátonyterenye, Ózdi út 220. (mail).

11. The registration form must include: country of origin, name of the team, name of the team captain, name, year of birth and nationality of team members. Information about the angling licence, name and availabilities of the contact person, and a bank account number, to which the advance payment can be refunded, in case the event can not be held (*Vis Maior*). BSHE reserves the right to ask for further information. All participants must agree to BSHE storing these informations for further use concerning angling events.

12. Only applications accepted are ones with a completely filled out registration form, **appendix nr. 2. „Confirmation of receipt”**, in case of acceptance a registration number or in case of missing information a request for completion of the document will be sent.

13. In order to guarantee the quality of the event and establish a competitive event, BSHE has created a delegational system for the countries, taking the results of the previous Maconka International Boilie Cups into consideration. To further promote the events international character, well known anglers who have taken part on the previous events have been asked to act as official organizers in their countries. The organizers are responsible for the validity of the information supplied by the applicants from their country and the timely arrival of the teams accepted as competitors on the location.

14. Consideration and acceptance or rejection of applications by BSHE happens until 02.09.2016 [🕒03] BSHE can appoint reserve teams, that will receive a separate agreement.

15. The exact dates and the timeline of events associated with the event can be found in the **„Timetable”, appendix nr. 3.**

16. BSHE does not have to justify its decisions concerning accepting or rejecting applications. BSHE states that it will take the importance of having both national and international teams attend into consideration. At the same time BSHE will pay attention to finding a balance between having the teams that have taken part on previous events and newcomers attend.

17. As of 2014 BSHE considers the ABMC series as a qualifying event, and reserves the right to use other events as qualifiers as well. Winners or teams that perform well can gain a free entry to the EPBC.

18. All the winners of the previous Maconka International Cups, and the 1st through 3rd and sector winners of the last championship to be held before the event have the right to decide whether they want to take part on the event. They still have to follow the procedures as set down in the OR, keeping the registration and advance payment deadlines, or they forfeit this right.

19. The registration and attendance fee is 150.000 HUF/team, or 500 Euros for foreign teams. The fee includes the teams whole costs, including their contribution to the prize table. BSHE reserves the right to give a discount to certain teams at its own cost, without changing the prize table.

20. Every team has the right to replace one team member or add another participant, up to a maximum of 3 anglers, after their application has been accepted, but before the draw commences [🕒04]. Handing their participation right over to another team is only possible by written consent of BSHE. The changes have to be validated by marking them on the Registration form, appendix nr. 2. No team member can be replaced during the event, but in case of one or more team members becoming incapacitated, a *Vis Maior* case confirmed by BSHE, the remaining angler or anglers can continue the event with all 4 rods.

21. The advance payment of fees, 80.000 HUF or 250 Euro must be made within 30 days of receiving the confirmation mail from BSHE, 26.08.2016 at latest [🕒05].

The remaining sum can either be paid on location in cash, or to BSHEs bank account at OTP Bank, account number: 11741055-20005162-00000000. For foreign teams, IBAN number is HU85-1174-1055-2000-5162-0000-0000. SWIFT (BIC): OTPV HU HB. Please send the confirmation of the transfer to BSHE.

22. The list of participants will be prepared after the arrival of the advance payments, but no later the 07.09.2016 [🕒06] and will be published on the websites mentioned in point 2 of this document. The list will only contain team names and anglers names, in the form they were given. Complaints and observations can be made until 09.09.2016 [🕒07] after which the list will be considered finalized and no further changes can be made. Team names can be changed with the consent of BSHE at a cost of 10.000 HUF/team (30 Euro).

23. If the event is canceled, or the participants can not take part on it for unforeseen reasons (Vis Maior), the advance payments will be refunded within 30 days [🕒08] to the bank account numbers supplied on the registration forms. If a team can not take part due to any other reason of their own, the advance payment will not be refunded.

24. Vis Maior cases for the participants are: unforeseen illness, accident, being obligated by the authorities to be present at a given date/location for official reasons (participant has to provide proof of this). For the organizers, Vis Maior cases are: a water level higher then 550 cms or lower then 400 cms, or a serious pollution of the water, confirmed by authorities.

25. If a Vis Maior case occurs during the event, and less then 50 % of the total event time has passed, the event and all so far results will be cancelled, and a new event, with the same participant list, will be held at the next event time, with the same peg allotment. If a Vis Maior case occurs during the event and more then 50 % of the total event time has passed, the event will be considered finished and the result at that exact time will count as final result. Canceling, suspending or finishing the event is the sole responsibility of the main judge.

26. The remaining fee has to be paid during the registration process at latest. Making the payment is the fundamental condition of taking part on the draw.

27. The participants have to acknowledge that they have read, understood and that they accept the OR of the event, that they shall submit themselves to the decisions of the jury before they are allowed to take part on the draw (**appendix nr. 4**) **OR acknowledge declaration.**

III. Organizational Regulations

28. The BSHE will appoint a jury in order to guarantee the proper facilitation of the event according to the OR. The head of the jury will be the president of BSHE, additional members will be 2 weighting judges from BSHE and 3 person delegated by the participants, from at least 2 non-hungarian nationalities. These will be selected by the participants during the opening ceremony. The jury has to made up of representatives of at least 3 nations. The jurys decisions will be made based on simple majority, in case the result is undecided, the head of the jurys vote decides. The „**Jurys list**” will be **appendix nr. 5**.

29. The following belong to the organizational crew of the event: members of jury, marshalls, sector judges, technical and administrative personnel. The head of the jury and the weighting judges have the right to instruct the participants. The rest of the jury and the other members of the crew have to report to the head of jury, or in his absence, to the appointed weighting judge.

30. Reporting participant behaviour or actions opposing the OR, or not accepting a midterm or final result counts as Protestation. This can only be made in written form.

If said protestation is made against a midterm result, it must be handed in at least an hour before the announcement of the next midterm result [🕒09]. The administrative costs of a protestation are 10.000 HUF or 30 Euros. If the jury finds the protestation to be justified, this amount will be refunded.

31. Team placement will happen as per the guidelines set down in points 5.-8. The pegs and the areas will be visibly marked.

32. The buoys can be placed at 100 meters from the shore, the fishable area will be at least 30 meters wide. Feeding is prohibited in the neutral zones, between the fishable areas. White buoys or similar markers will show the borders of these areas.

33. Reception of the teams happens from 16.00 on 10.09.2016 [🕒10]. Parking and camping areas are available at the guardhouse. All teams must arrive before 11.00 on 11.09.2016, Sunday [🕒11].

34. The order in which the pegs are chosen will be decided by a draw. The order of this draw will be decided by BSHE. The teams then draw numbers, which numbers will represent the order in which they get to choose their pegs. Drawing 4 means the team will be the 4th one to take part in the actual peg draw.

35. Choosing the pegs happens before the map of the lake. Every team, apart from the last one has the possibility to replace their first drawn number, if they do not want to accept it. That number will be returned into the system. The team will have to accept the second drawn spot. The last team will have to accept the last free spot. Every team has a maximum of 2 minutes to make the choice. As of that point the teams will be identified and/or mentioned by their peg numbers as well.

36. The teams can only move to their pegs after the draw is over. The cars will have to be parked in the areas appointed by the jury. These will be marked on the map. Entering or leaving the areas with a vehicle during the event is only possible with consent of the organizers.

37. Tents can be set up inside the appointed areas. Trailers can be parked in the areas appointed by the jury.

38. Making campfires is only allowed in the appointed places.

39. The participants can, after informing the sector judge, leave their pegs for 60 minutes for lunch and 1x60 and 3x30 minutes every day, one person at a time. The participants have to inform the sector judge if they want to leave their peg between 19:00 and 07:00.

40. The teams can receive guests on Sunday between 18:00 and 19:00 and from Monday to Thursday between 09.00 and 19.00 hours every day [🕒12]. The guests have to follow the rules of behaviour as laid down in points 36, 43 and 66. The sector judge, who has to be informed about every movement of the participants outside of the pegs, also has the right to instruct the guests. The guests can not be within 5 meters of the rods at any time.

41. BSHE will provide, from 13:00 Friday before prize ceremony, a hot meal for the participants, in base of official participant card. Further meals can be ordered from buffet on own cost of participants. If there is demand for vegetarian meals, the participants have to give notice up front by marking it on the registration list.

42. BSHE provides 3 buildings on the south shore and 2 mobile toilettes on the dam area for the participants sanitary needs.

IV. Angling and weighting rules

43. The Official Rules have been created based on the CIPS/FIPS international rules, the international anti doping rules and the Hungarian OHR rules. BSHE places great importance on guaranteeing equal chances to all participants and to exclude random chances from the race and the final results as much as possible.

BSHE asks all participants to behave in a cultured manner, to protect nature and to avoid consuming excessive amounts of alcohol. Participants not following these guidelines will first be warned and then excluded from the event.

44. The event starts on 11.09.2016. (Sunday) at 17.00 [🕒14], and ends on 16.09.2016. (Friday) at 12.00 [🕒15]. Total angling time is 115 hours.

45. The teams will receive a complete map of the area, including the lakebed with up to date information about depths at their arrival [🕒16]. The participants are allowed to discover the area by boat, following the rules of boat usage by BSHE, before the event starts.

46. The event starts after the draw at around 12.30 [🕒17], point 30 of OR, and the occupation of the pegs, around 14.00 [🕒18]. Following this, the participants have about 3 hours to select and mark their actual angling spots, no boats can be used during this time. The use of fish radars and fish finders and similar machines is prohibited. The participants are not allowed to feed or fish outside on the sides of the area marked by the sector buoys, one green and one red, unless marked differently on the event map. They can overstep their designated area in length, meaning they can feed and fish that distances longer than 100 meters. The teams can use 2 markers. The teams can use 2 feeding buoys, if they can get them in from the shore, carrying in is not allowed. These buoys can be lit by a non-disturbing light.

47. The use of every natural based feeding material is allowed, (seeds, groundbaits, pellets, boilies). In case of seeds, the maximum amount is set at 50kg-s in dry state, which the judges can check. wet/dry state weight compensation ratio is 1:1,6. No feeding stuff with live materials in it is allowed.

48. BSHE reserves the right to forbid or reduce the use of some or all dog or other animal food used as feeding stuff or bait or as part of any of those. The judges can check the contents of feeding and baiting materials at any time.

49. Throwing Sticks, spombs, rockets, slings and all other tools that are based on strength and agility can be used. Feeding is only allowed within the actual angling area, unless marked on the area map. Forbidden to use electronic or gas devices for feeding.

50. Feeding is allowed from 15.00 of the first day [🕒19]. Feeding during the event is not restricted, but spombs, rockets and catapults (heavy feeding) can only be used between 07:00 – 19:00, Friday between 07:00 – 10:00, during the day! [🕒20]. Throwing sticks, manual slings are not inside of the heavy feeding restriction.

51. Carrying in, including the use of bait boats is prohibited during the event. Throwing in can only be done with the above the head method.

52. The participants can only use boilies for bait, with a hair rig. 2 rods per angler, up to a maximum of 4 rods per team, with 1 hook on every rod.

53. The use of Surf, Spod, Feeder, Match rods is not allowed on the event for angling, surf and spod rods are allowed for feeding and for marking. The rods can be 2 or 3 part types and their length can not exceed 4.2 meters.

54. A maximum of 2 rods can be used for heavy feeding or marking at any time. The rods with marker floats can not be stored in the same holders as the actual angling rods, they have to be placed at a distance of at least 3 meters, visibly marked.

55. The number of rods stored ready for angling in case of boilie rods and prepared that can be stored in the peg is not limited.

56. Floats and diver floats can not be used, with the exception of marker floats and the special floats for Zig Rigs, but floating your rig with boilis, plastic, wood etc is allowed. Inline with point 59.

57. Only traditional endtackle is allowed, smallest lead weight is 60 gramms. Endtackle has to ensure the fish can lose the lead in case of broken line.

Ribbed leads are allowed with paste or groundbait on that, feeding baskets (wire) are forbidden.

58. The monofil main lines and throwing leaders can be 0.50 mm maximum.

Braided lines can only be used as throwing leaders and rig leaders, and can have a maximum length of 6 meters for throwing and 60 cm for rigs. Lead Core lines can also be used, maximum length is 1 meter.

59. Minimum size of boilies is 10 mm, before to use. Seeds and plastic bait can't be used on their own, only together with boilies. Use of PVA is allowed.

60. The judges have the right to check the setup of every angler, even if this means drawing it out of the water.

61. Electronic, acoustic and visual bite indicators are allowed, sound and visuals can be limited by the judges. Devices connected to the tip of the rod or are not allowed.

62. It is forbidden to use high power lights during the event for a longer time, disturbing the other anglers with lights or lasers. Lights can be used when needed for throwing in, landing a fish. The angling pegs and the rods that are in use have to be lit through the night. The use of headlamps is allowed.

63. No team can take part on the event without proving of being in possession of the following. Large landing net, minimum size 90x90x70cm's, mesh with holes smaller than 1x1cm. For fish smaller than 5 kg can be used landingnet bigger than 60x60x50 cm, same mesh hole size. 2 fish mats, minimum size 60x100 cm, 5 cm thick, has to be used when landing a fish bigger than 5 kg. A minimum of 7 storing nets, 2 of which have to be bigger than 80x150, the rest bigger than 60x120. Fish mouth disinfectant, preferably without colour, headlamp for every angler. The participants have to use these items throughout the whole events according to their functions.

64. Tent, half-tents, camping gear has to be placed inside the designated area, according to point 37. BSHE can limit the use of accessories that are disturbing.

65. The teams can not ask for, or accept outside help during playing or landing a fish. If the fish moves the sector buoy during the fight, it can only be placed at its former position by the person appointed by the judges, Monday till Thursday, between 07.00-19.00 [21], the boat will try to entering the area from a neutral zone to don't disturb the fishing activity. In case of a team moving another teams buoy several times, the organizers can deduct 5000 points as penalty.

66. If the guests get involved in the angling in any way, the team can be disqualified from the event immediately. For other unlicensed behaviour, first time penalty is a 1000 point deduction, second time penalty is being disqualified from the event. Unlicensed behaviour can be: preparing setups, rigs, baiting, throwing in, fighting a fish, netting a fish, landing a fish and helping with weighting.

67. After landing a fish, the participants have to place it on the wet mat, disinfect its mouth and any other injuries after removing the hook and store it in a net. One net can hold a maximum of 5 fish below 2 kg's, 3 fish between 2-5 kg's, 2 fish between 5-8 kg's and only 1 fish above 8 kg's. Grass carp, black grass carp and barbel, because of their vulnerability, can only be stored separately. By fish mentioned in point 49, by koi carp bigger than 2 kgs and by barbel, the use of coloured disinfectant is prohibited. In case of need, too many fish or bleeding fish, the organizers can be asked to measure the catch between the appointed measuring times.

68. Every catch of carp 10 kg+, koi carp, grass carp 6 kg+, catfish 10 kg+, sturgeon 5 kg+, tench 1 kg+ has to be reported to the organizers immediately. If the fish seems like it has a chance to become the largest fish caught, it has to be reported immediately as well, since the fish can lose weight over time.

69. Weighting happens on a fixed stand. Only official, normalized scales can be used. All weights are in netto weight.

- 70.** The participants have to actively take part in the weighting and registration process. The process can be put on hold for the duration of landing a fish.
- 71.** The organizers will weight and register every fish according to **appendix nr. 6. Catching sheet.** Every carp and grass carp above 10 kgs, koi carp above 3 kgs and black grass carp, barbel above 2 kgs will have their exact parameters written down, along with the name of the angler that caught it, and will have a picture taken. In case of exceptional fish the organizers can decide if they want to have additional pictures or movie about the catch.
- 72.** In case of fish larger than 15 kgs, or any fish that have a chance of being the largest fish caught will have to be weighted twice, in case of a different result the better result counts.
- 73.** For every fish caught a sheet is filled out in two copies. Both are signed by a team member and the organizer that performed the weighting. One team member must check if the fish was entered on both documents. One sheet stays with the team at all times. All fish have to be released after the weighting.
- 74.** Only living fish will be weighted and count towards the end result. As proof of this, the fish have to be released and swim away on their own after the weighting. Injuries or death caused by any participant can result in a 2500 point penalty, and the team will have to pay the price of the fish to the Maconka lakes owner. If the participants neglect to take care of their fish the organizers will decide about possible penalties. In case of intentional damage or death caused, the team shall be disqualified immediately.
- 75.** After weighing the judges have to check the peg for any fish left in the water. If they find bagged fish in the water they can deduct 1000 point/fish from the team and can return the fish to the water without weighing them.
- 76.** The weighting can be observed by participants from other teams, if they announce their intention to the sector judge.
- 77.** If the weighing process starts later than 2 hours after announcing a catch the organizers can decide to reduce the penalties for damage or death of fish. If a dead fish is found later, but during the event, the organizers will only decide on the penalty after identifying the fish. The monetary compensation can be demanded for dead fish found up to 48 hours after the end of the event.
- 78.** Fish hooked before the end of the event will have to be landed within 30 minutes but will still count in the end result.
- 79.** Apart from point deduction the organizers will warn the participants for minor mishaps or misdemeanors (yellow card). After two warnings the third one means a red card and automatic disqualifying from the event.
- 80.** In case of serious misdemeanors two yellow cards can be handed out at once.
- 81.** Teams will be disqualified for the following, if proven: cheating, marking a fish physically, damaging a fish, cutting, maiming or killing it, causing its death. Disqualifying is only one of the legal steps that will be taken.
- 82.** Getting disqualified means all results of the team are cancelled.
- 83.** All protestations and incidents where the rules are broken will be handled legally by the organizers, according to points 28-30. All decisions, apart from the yellow cards, will be published and available to all the teams. In all other cases the say of the organizers is final, no additional protestations or legal steps can be taken.

V. Prizes and awards

- 84.** The following fish count towards the end result. Carp, barbel, grass carp and black grass carp above 1 kg, normally hooked. Any other kind of fish unless listed in point 68, or fish hooked accidentally from outside, have to be released immediately.

- 85.** In the end result, every 1 dkg of fish counts as 1 point, so 1kg counts as 100 points. There are no bonuses and weight corrections.
- 86.** The winner of the event and the Europe Cup is the team with the most points. in case of a tie the biggest fish decides, if that is equal as well than the average weight. The other places will be decided according to the points as well. If the sector winners do not make it to the top 3, they will receive a special price, with the same amount of money as the third place of the event.
- 87.** For the sake of regular objective information, every team will receive a sheet with the current results and standings regularly. This sheet will provide them with all necessary information about the events current standings. They can compare their own results with the other teams.
- 88.** The midtime results will be announced at the following times : 12.09.07⁰⁰ (14 hours), 12.09.19⁰⁰ (26 hours), 13.09.07⁰⁰ (38 hours), 13.09.19⁰⁰ (50 hours), 14.09.07⁰⁰ (62 hours), 14.09.19⁰⁰ (74 hours), 15.09.07⁰⁰ (86 hours), 15.09.19⁰⁰ (98 hours), 16.09.07⁰⁰ (110 hours), 16.09.12⁰⁰ (115 hours, final results) [🕒22].
- 89.** The official final result will be announced on 16.09.2016, on Friday, at approximately 15.00 [🕒23], during the closing ceremony. Objections can be handed in within one hour of this, until 14.00 on 16.09.2016. [🕒24], according to point 30 of this document.
- 90.** The prize table is guaranteed in case of 30 teams participation (here are included trophies, cash etc..) the minimum amount is 70 % from total income. The guaranteed prize table in case of 30 teams, at least, participation is: overall I. position 1.200.000 HUF (4000 Euro) , second overall 600.000 HUF (2000 Euro) and third overall 300.000 HUF (1000 Euro) . If the winner of one/two section is not inside of the first I.- III. overall prize - that will get a prize equal with the III overall 300.000 HUF (1000 Euro). The biggest fish prize is 150.000 HUF (500 Euro). In case of less then 30 teams participation the prize table will be adjusted accordingly. If some teams got discount from BSHE, described in points 17 and 19 - they prize, in case of winning, will be adjusted to cover the cost of participation.
- 91.** The BSHE, above of the prize table described in point 90, will provide trophies to each team member for: overall I - III position, section winners, biggest carp and biggest koi carp winners. On top of that all participants and other staff members or sponsors will get a memorial medal. The event sponsors or other participants can offer other items (angling equipment, trophies) as rewards. If BSHE decides to accept the offering, the prize sponsor can hand it over themselves, or appoint someone to hand it over to the winner team. Teams that would be awarded with cup, trophy, memorial medal...etc... can only take it over if they took part in the whole event and are present on the award ceremony, unless the BSHE decide otherwise, described in point 24.
- 92.** BSHE reserves the right to hand out other prizes. The „Friendship and Loyalty” prize can be handed out to participants, organizers and crew members that have taken part on at least 10 events. These can only be awarded to anglers who have not broken any rules and have with their behaviour shown a good example of sportmanslike angling and protecting the environment. Prizes oviously awarded to anglers who have become unworthy because of their behaviour can be withdrawn as per the decision of BSHE.
- 93.** Every team, regardless of its result, can receive an official record of its performance, and statistics of its performance as described under point 71 of this document.

VI. Final Regulations

94. The OR will be prepared in hungarian language. In case of misunderstandings caused by translation, by the hungarian version will be considered authoritative. In case of contradictions between the OR and any appendix, the OR will be considered authoritative. Any changes made to the OR will be published within 3 days of their acceptance [🕒25]. The final date for changes in 8 days before the start of the competition [🕒26], after that the OR counts as final.

95. Sponsors are companies or persons patronizing the event by financial or material means, media coverage or publicity.

The event sponsor (founder) and other sponsors can enroll teams, the terms and conditions concerning this are laid down in a separate agreement between the parts, BSHE and founder/sponsors.

96. BSHE, and the patronizers and sponsors will provide the media coverage and the PR of the event, and it is up to them to decide on providing the winners and certain participants, according to their results, with media coverage.

97. The teams can choose any name they feel like, as long as that name is not allready taken. BSHE will address the teams by the name they chose, and takes no responsibility for the team names. BSHE can limit the sponsor appearances outside of the pegs (clothing, flags, rollups etc.). The presence of sponsors on the location (shooting movies, interviews etc.) is only possible with BSHEs consent.

98. Any part, or the whole, of these rules can only be published with the written consent of the organizers, and with marking its origin, and only for the duration and in the exact spot marked in the agreement.

99. In cases not covered and regulated by the OR and in the case of the organizers, the participants, the jury or the sponsors taking legal steps, the parties agree on the jurisdiction of Hungarian courts. The court will be chosen by BSHE.

100. Any cases not mentioned here shall be regulated by the governing laws of Hungarian civil code, the environmental laws, the angling laws, the rules and regulations of BSHE and the decisions of the jury. The participants shall abide by the decisions of the organizers, and do everything in their power to solve all problems and conflicts peacefully and in a sportsmanslike manner.

*Be a sportsman, fight fair, let your rod bend!
